To Whom It May Concern:

In my capacity as Director of Property Management for Girl Scouts of Utah I have had the opportunity to work closely with Tom Kendrick, Jr. and the people at Kendrick Brothers Construction Company (KBC) for more than twenty years.

Kendrick Brothers Construction Company has been contracted by Girl Scouts of Utah to design and build a variety of projects. KBC has completed a total of twelve projects ranging from a small tenant improvement renovation of \$10,000 to a \$4,000,000 Girl Scout camp construction project at Trefoil Ranch. Of the twelve projects, seven were construction projects at Camp Cloud Rim and Camp Trefoil Ranch.

It is difficult to find construction companies that understand the uniqueness of working with a nonprofit organization. It has been to our advantage, resource wise, to work with Tom and the people at KBC, because Tom and his team understand working with a nonprofit. They know about nonprofit budgeting, capital campaign funding, timelines, in-kind donations, and working with a volunteer board and committees.

I have always been pleased with the quality workmanship of the people at KBC. They are fair and honest. They live up to their commitments and warranty work. Tom is a joy to work with. His people are professional and skilled. I would contract with KBC again and again.

Sincerely,

Charlotte Corbit
